Name of Manufacturer B

Beorol doo

Address

Kirovljeva 10/26, 11030 Belgrade, Serbia

Product code/description:

RZN: Cut sewn cotton liners, red PVC fully coated gloves, Gauntlet

The gloves has been produced according to the Regulation of the European Parliament and of the Council (EU) 2016/425. They protect from mechanical damages. It means that the gloves are made according to the following norms: EN 388: 2016 and EN 420: 2003+ A1: 2009. They have been tested by: ITS Testing Services (UK) Ltd, Centre Court Meridian Business Park Leicester, Leicester LE19 1WD, United Kingdom (Notified Body 0362) and certified by ZVD Zavod za varstvo pri delu d.o.o., Chengdujska cesta 25, 1260 Ljubljana - Polje, Slovenija (Notified Body 1493).

<u>USE INSTRUCTION</u>: The gloves are characterized by comfort of use and protection from mechanical damages. They fit snugly to the palm. Neither direct contact with fire nor welding in the gloves are recommended. Damaged (torn or riven) gloves should be removed immediately. Check the gloves for correct size, trying them on before starting the works, available size is 10/XL. The gloves are made of cotton and PVC.

<u>STORAGE</u>: The gloves should be stored in dry and airy places, keep in temperature: 5-25° C. Store and transport in cardboard packages. Expiry date: 2 years subject to the production date.

<u>CLEANING</u>: Dry dirty gloves with soft wiper. Don't machine wash. Cleaning with water or any detergents may change the properties of the gloves. Examine regularly if the gloves are not damaged.

Warning

- Protection limited to part of the hand: Glove only offers protection to palm area of hand.
- The gloves should not be worn next to machinery in case of dragging.
